Ride season kicks off with NATRC Convention

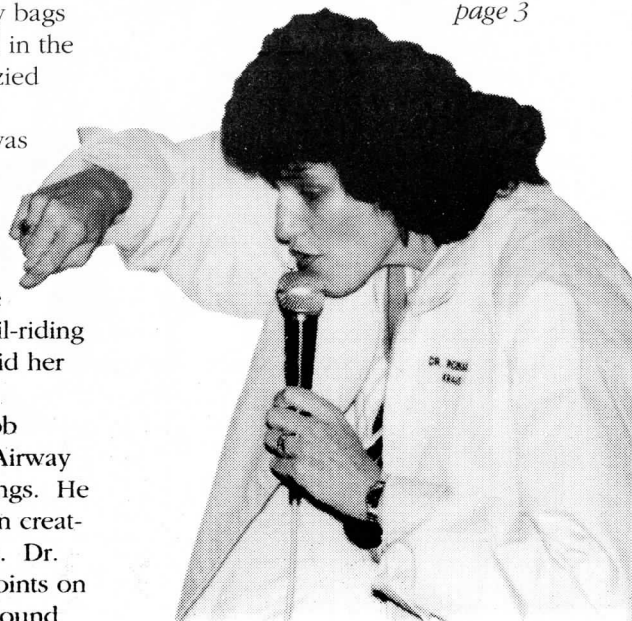

It all began on February 18. I wasn't really sure just exactly where the Sheraton hotel was and I have lived in this area all of my life. I guess I need to get out more. We arrived at the hotel, and ventured inside to find out where to go. Starting up to the second floor, there was no question of where to go! Every kind of horse-tack-item-thing imaginable hung over the atrium wall for all the NATRC-world to see. As we reached the second floor, saddles, bridles, hay bags and even more horse stuff waved in the breezes generated by all the frenzied shoppers! The registration table, tucked in amongst the goodies, was expertly attended by Joyce Calhoun and company. After registering, we wandered through more rooms and corridors enjoying what could only be described as a candy store for trail-riding fanatics. Karen Laden certainly did her homework with all the vendors.

The show began with Pat Jubb announcing Dr. Gene Naugle of Airway Animal Hospital in Colorado Springs. He made an excellent presentation on creating a safe environment for horses. Dr. Naugle brought up many good points on commonly overlooked hazards around

the barn. Murmurs could be heard through the audience as people began to think of their own stables. A lot of horses will be better off after that slide show.

After a brief pause for everyone to get up and stretch (and visit the vendors' booths) Kathryn Utke gave away some neat door prizes while Kathe Hayes convinced participants to buy her Four Corners Trail Riders handkerchiefs.

McKelvy's Musings

By Susan McKelvy, Region 3 President

Region III did it again – a wildly successful national convention wrapped up with compliments from the participants. A huge thank you to the committee responsible: Pat Jubb, Laurie Butterfield, Karen Laden, Kathryn Utke, Susie Witter, Dean Schrader, Dee Overholt and our hospitality room hosts Bill and Jenny Smith.

Recalling the people who made up the convention team, those who serve on the regional board of directors and those who manage competitive rides, jogs me to comment on an aspect of NATRC that goes along with our trail horses – VOLUNTEERING! We all love the sport for the scenic areas we are privileged to ride, the hours of quality time with our mounts, the ribbons and awards to commemorate our successes and the friendship of fellow riders. However, none of this happens without volunteers who agree to chair, secretary, trail mark and master, do P&Rs, cook, safety or pre-ride the trails for our scheduled rides. If you have only competed rides in the past, I urge you to consider parking your pony for one ride and saying "yes" to fulfilling a management position on one of our region's rides this summer.

Get started by contacting a ride manager (listed in newsletter) and offer to help. It takes a lot of people power to keep rides and the Region perking along. Your talents, experience and skills are needed. The whole thing works when everyone kicks in on one ride, serves one term on the board, or helps on a special committee. Try it – it's stimulating, frustrating and FUN.

The best for last – NAVAJO LAKE COMPETITIVE RIDE, May 6-8 is our Region III Benefit fund raiser. Mark your calendars and plan to compete. Guaranteed sunshine, good company and great trails and scenery. Mothers are honored with bushwhacker prizes. And thanks to the volunteers who are committed to making this and all the region's rides happen.

"There's nothing like a rattling ride for curing melancholy!"

– Winthrop Mackworth Praed

Participants busy at convention

Following that, Dean Schrader moderated a panel of top NATRC riders for a lively discussion of creative horsemanship. Dean was joined by Dr. Michele Glover, Shirley Sobol, Charlie Crider and Bill Hinkebein. They provided some good information on horsemanship (and sportsmanship).

Afterwards, it was time to enjoy lunch with cowboy poet Fred Ellis. Fred took us from the old-time days of cowboys on the dusty trail, to progress taking over the land, to a new-fangled cowboy-rap poem (complete with hat turned backwards on his head).

Photo left; Kathe Hayes (right) convinces convention-goers to buy her Four Corners Trail Riders hankies, while Kathryn Utke looks on.

Following more door prize giveaways, Friday's afternoon session began with an enlightening look at horse conformation and how certain physical defects affect a horse's abilities on the trail. Dr. Terry Swanson of Littleton Large Animal Clinic explained to us how a horse's peak performance can be affected just by the way he is built.

Meanwhile, Bill and Jenny Smith's Hospitality suite was in full swing and the evening wrapped up with a chartered bus trip to Central City for gambling and dinner. The trip's proceeds went to benefit Region III.

Saturday morning – it seemed like there were even *more* vendor booths than the day before, because I managed to find more things to buy that I didn't see the first day.

The first lecture of the morning was presented by Dr. James Heird, from CSU in Fort Collins. He discussed the behavior of horses – and informed us all that our horses really *are* telling us what they are going to do next, if we'd just learn to pay attention to them. After a brief intermission and more door prizes, Dr. Heird discussed how to take advantage of the

horse's thought processes while riding.

After lunch, we were joined by Dr. Roberta Vasko Kraus. She was a lively speaker who taught us how to train and prepare mentally for competition, based on an adapted program for Olympic medalists. She explained to us how by just having your tongue in a certain position in your mouth (no kidding!) or breathing correctly will calm jittered nerves and put you in a winning frame of mind.

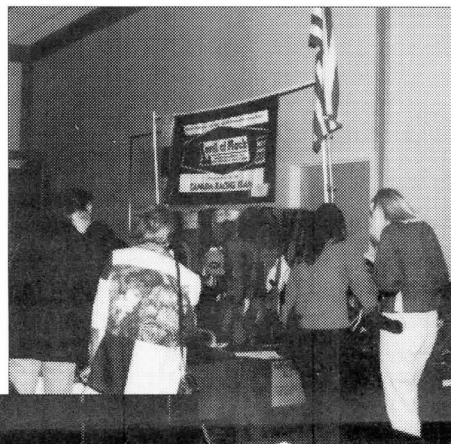

Meanwhile, Bill and Jenny were at it again with the Hospitality suite.

Saturday night was on for the "Big

Feed." It's fun to look at the same riders seen in summer all dirty and dusty, dolled up in their nice clothes. Ike Mosgrove looked elegant in her gold lame' outfit and the guys so dapper in their suits and ties. The table centerpieces were super-clever. Made up by Sue McKelvy and Dee Overholt, they were made up of little horse figures constructed of pine branches, circled with evergreen sprigs and topped off with a chunk of quartz from the Butterfields' ranch (to tie in the Colorado Gold Mine theme). We enjoyed the meal, and then watched while everyone received their awards (and I mean *everyone!*). I never really thought about just how many people participate in this sport. Two rolls of film later, we said our goodbyes. I had to miss Region III's Awards breakfast, but have received pictures for the newsletter.

I cannot fit all the pictures I want to in this issue, so will include more in the May/June edition. The Convention Committee really deserves a round of applause for the terrific job they did. It was quite an affair – well-planned out to every detail – and definitely an event that Region III can be proud of. Hats off to every one of you! – Lisa Sowell, Editor.

Above, Lovell Sasser's booth rakes in the business while photo left (from left) Bill Hinkebein, Charlie Crider, Dean Schrader, Shirley Sobol and Dr. Michele Glover speak to attendees about good horsemanship.

To the members of Region III

On behalf of the NATRC Board of Directors, I want to thank you and your convention committee for an outstanding job in creating "Colorado Gold Rush '94."

Your effort and dedication to this task is so indicative of the talents and organizational skills we find throughout NATRC and you are to be commended for a Job Well Done. – J.R. Kendall, NATRC President

A few announcements to mention – Congratulations to **Frank and Stacy Bowman** on the birth of their daughter Corianna. As you can see in the photo below, it looks like Corianna is taking after her father. Good luck, Stacy.

Best wishes to **Jill and Jeff Hicks** on the newest addition to JET Arabian Ranch – their stallion Fyre Kracher's first born foal, a filly named Fyrelle. It looks like she will have the same gentle personality as her papa. Like father, like daughter ...

Hats off to NATRC judge **Dave Varra, DVM**, who was awarded the 1993 Boulder County Horsemen's Association Horseman of the Year at their Feb. 8 potluck dinner.

Clinics, clinics and more clinics

Boy, are we having clinics this year! Here are a few – look for one in your area.

Neal McKinstry had a "Jurassic Park" clinic in mid-March and Laurel Whiting is arranging one in her area. Kathe Hayes will hold a clinic in the Farmington area in mid-April. Dan Fredal is having a clinic at Garden of the Gods in Colorado Springs on April 17. Jill Hicks is planning her Boulder clinic on Memorial Day weekend. Dee Overholt plans to hold one sometime in May. We'll keep you posted.

If you'd like to hold a clinic but aren't quite sure how to go about it, contact Judi Tobias, Region III Clinic Coordinator at (719) 593-7310. She has lots of materials from release forms to publicity handouts and will be glad to help you plan your clinic. – *Judi Tobias*

Attention all Juniors

I would like to have your input! I have been assigned to be the Region III National board representative for the Juniors Committee. This committee is gathering input from all our Junior riders concerning the proposed helmet ruling which would make helmets mandatory for all Juniors competing in a sanctioned NATRC ride nationwide. Please write or call me and let me know how you would feel about this new rule as well as any other concerns, questions or suggestions. I look forward to talking with you. – *Joyce Calhoun, 761 W. El Portal, Pueblo West, CO 80117 (719) 547-3152.*

Rides are requested to send the results of a ride to national within two weeks after the ride. Region III rider fees should be sent at the same time to the point chairman.

Verification of points and mileage

The point secretary keeps all Region III members' points and mileage each year. You are welcome to verify your points with the chairman by Oct. 15 of the current year, otherwise you must accept the points as calculated by the point secretary. Region III NATRC members who have not renewed their memberships by Mar. 1 of each year will have to pay an additional \$15 secretarial fee if they wish to have either their horse or rider points and mileage recorded. Computerized membership mailing labels offered

Joyce Calhoun is in charge of computerization of membership for Region III. She takes care of the mailing labels for the *Region 3 Newsletter* and provides labels for ride chairs and clinic organizers. These lists offer much information and can be categorized by districts, zip codes and include people who have ridden in the past two years. They can be helpful to solicit participants for all Region III NATRC events. Note to ride managers: Submit requests for rider lists with ample time for Joyce to prepare them, not at last minute, please! The fee is \$5. Contact Joyce Calhoun at 761 W. El Portal, Pueblo West, CO 81007 (719) 547-3152.

When paying for newsletter advertising or mailing labels . . .

When you use Joyce Calhoun's services for mailing labels, or if you are paying for an ad in the *Region 3 Newsletter*, please make your check out to NATRC/Region III.
