Region 3'ers gather in the Springs for seminar

by Judi Tobias

In spite of record-breaking cold combined with snow and wind, over 60 Region III members met at the Radisson Inn North in Colorado Springs, Colo., on Jan. 11, 1997 to attend the annual seminar and awards banquet. Co-chairs Judi Tobias and Karen Laden had worked long and hard to make the event a success.

The next item of business was a panel discussion titled "How to Transition to Riding Open." Panelists were Dee Overholt, Larry Keckler and Sherry Eckel. Judi Tobias moderated the session. The panelists shared conditioning and nutrition tips, war stories and campaign strategies with a responsive

BACK... to the Future

The seminar was held in the same hotel where the very first Region III awards banquet took place in 1979. Both the city and the hotel have grown and changed, but the friendships and camaraderie haven't. Old and new members of the competitive trail riding sport greeted each other and renewed friendships. They caught up on what has been happening since the last rides in October.

President Bill Smith called the general membership meeting to order. Important topics such as shoeing and regional membership policies were

audience. Sherry Eckel offered special advice for those with junior riders on keeping them focused. After a lively question and answer period, the afternoon wound up with videos on safety and courtesy on multi-use trails, and the well-received video on helmet wear, "Every Time, Every Ride."

The banquet was held in the beautiful Academy Room, with an atrium providing a backdrop for the head table. Before awards, Bill Smith made a lovely presentation of

Attention open riders!

Region 3 needs safety riders for the Championship Challenge Ride to be held on Aug. 23-24, 1997. Riders must be accustomed to the faster pace and longer distance. If you are an open rider who does not intend to compete in this ride and have or are willing to get First Aid training – and would like to participate – notify the safety chair. The Challenge Ride is 40 miles per day and will return to camp for lunch each day, so a safety rider can ride in shifts of 20 miles each, if necessary. Please call Joan Feldman at (303) 776-2077 at home on weekends or (303) 438-4469 at work on weeknights. **THANKS!** – Joan

Home recipes for horses

Electrolytes

1 lb. table salt
22 oz. Morton Lite salt
1 oz. epsom salts
1 oz. powdered milk
1 oz. baking soda
Feed two teaspoons daily

Fly Spray

1 cup Avon Skin So Soft
2 cups white vinegar
1 tablespoon eucalyptus oil or oil of citronella
Mix together and use in a hand sprayer

Leg Brace

1/3 part Listerine mouth wash
1/3 part water
1/3 part rubbing alcohol
Feels great on the horse's legs after a ride, but wait until after awards.

Safety chair turns over the reins

Dear Region 3 members,

Being the Safety Ride Chair for Region 3 has been a very rewarding and enjoyable experience for me. But, due to other numerous commitments, I am finding that I am unable to continue in this capacity. However, I will be able to help out from time to time as a safety rider.

I want to express my best wishes to Joan Feldman who is taking over my position. Because of her experience, Joan will certainly be an asset to Region 3.

Thanks again for your support. Rosie and I are looking forward to seeing you all on the trails.

*Happy trails,
Lois Arbour*

Lois Arbour of Conifer, Colo., pictured above left at the recent Region 3 seminar and again at right with Rosie at the Golden Gate Competitive Ride near Blackhawk, Colo., last fall. Lois and the gaited mules she has ridden have capably followed the open competitors for years.

Casserole recipe back by popular demand

I have received several requests to run Donna Schriefer's popular breakfast casserole recipe again:

Donna's Breakfast Casserole

- 6 beaten eggs
 - 2 cups milk
 - 1 tsp. salt
 - 1 tsp. dry mustard
 - 1 cup grated cheddar cheese
 - 6 slices white bread, remove crust and break into small pieces
 - 1 lb. breakfast sausage, browned, drained and cut into bite-sized pieces
- Mix all ingredients together and pour into 9" x 12" pan. Bake at 350° for at least 30 minutes.

For trail rides, use a foil pan, bake as directed, then freeze for later use. Thaw and reheat. Serve with fresh fruit for a healthy breakfast to give your ride workers!

Uniting Along the Divide

On July 12, 1997, 31 teams will set out to explore the Continental Divide Trail (CDT) in an effort to develop a *State of the Trail Report*. Hundreds of people will unite along the CDT to identify the challenges and opportunities facing the trail and our Western public lands.

With approximately 30% (about 1,000 miles) of the trail left to complete, the Alliance needs your help to raise awareness and attract funding to get the job done.

You will have direct contact with an assigned Forest Service, Nat'l. Park Service or BLM staff person to plan your 100-mile segment. This will be experience you will remember for the rest of your life.

To find out more write the Continental Divide Trail Alliance at P.O. Box 628, Pine, CO 80470; or phone (303) 838-3760.

Region 3 seminar

special windchimes to several long-time supporters of the region. Then a drawing was held for the winner of the raffle – an exquisite stained glass Arabian horse head, created by Terri Daugherty. She donated the proceeds from the raffle to the Region III Junior Sponsorship Fund.

However, they managed to get down to business and elected Bill Smith by acclamation for a second term as president. Other 1997 officers are Lonnie Smith, vice president; Betty Wolgram, secretary, and; Ike Mosgrove, treasurer.

The panelists featured in "How to Transition to Riding Open" lead a lively discussion at the Region 3 seminar. From left are: **Sherry Eckel**, moderator **Judi Tobias**, **Larry Keckler** and **Dee Overholt**. (All photos from Dee Overholt.)

Finally, it was time for the announcements of the year-end awards.

On Sunday morning the old and new regional boards met. Some of the attendees seemed a bit fuzzy, having partied and danced the night away.

Proudly displaying their blue ribbons are **Dee Overholt** and **Lonnie Smith**.

Two of Region 3's excited winners include **Mary Ellen Keckler** (left), and **Terri Roberts Smith**.

So, the board is looking forward to 1997 with the Region III Benefit Ride at the El Jinete Ride (chaired by Kathe Hayes) near Durango, Colo. There's also the possibility of the Championship Challenge at the Air Force Academy in August, chaired by Judi Tobias.

Long-time contributors and supporters of Region 3 include (from left) **Neal and Marj McKinstry**, **Ike Mosgrove**, **Barb and Tom Butterfield**, **Ariel and Dean Schrader**, **Lois Arbour**, **Bob Santistevan** and **Pat Jubb**. They're pictured waiting to receive specially-made windchime gifts as tokens of appreciation from the region from board president, Bill Smith.

Region 3's Neal McKinstry of Fruita, Colo., receives the NATRC Lifetime Membership Award at the national convention.

See story on page 5.

McKinstry receives membership award

Written and presented by Judi Tobias at the national convention

"NEAL MCKINSTRY loves to ride the trails and he loves good horses. He and his wife Marj are long-time breeders of Arabian horses. In fact, a photo of Marj and their stallion Zeus graces the front of a book about the Arabian horse.

"Neal joined NATRC in 1981. He has always been a great competitor, but also a great person to ride the trail with. I first remember Neal on a ride at the Brown Ranch in Chugwater, Wyo., in the '80's. The riders had just been told to trot to a P&R when one competitor's horse went over backward, throwing its rider to the ground. She needed immediate medical attention, so Neal galloped to the P&R stop to get help. His horse *still* didn't lose any points at the P&R!

"Neal, wanting to give back to the sport he loves, has served several terms on Region 3's board, representing Colorado's Western Slope. A major reason the that area has continued to be such a vital part of Region 3 is due to Neal's support. He also has helped put on the Rabbit Valley Ride near Grand Junction, Colo., serving as co-chair and trailmaster. In 1995 he helped put together a great regional seminar in Grand Junction. And, in spite of surgery in 1996 that made him dependent on a walker, he was the rule interpreter and mentor for the new Hole in the Wall Ride near Craig, Colo.

"A great believer in the trail ability of the Arabian horse, Neal has served as liaison between NATRC and the International Arabian Horse Assoc. (IAHA) since 1988. Neal has been instrumental in helping to write up the current criteria for IAHA distance competitions, putting many of NATRC's philosophies into the IAHA rules. He has ridden several IAHA championship rides, most recently at the age of 73 – while sporting two artificial hips. When Judd Adams of Boulder, Colo., decided to make the 1996 Golden Gate Ride the IAHA Region VIII championship ride, Neal was on the phone immediately with help and support. He always goes the extra mile to support the relationship between the IAHA and NATRC, and to promote NATRC on a personal level as well. Moreover, he is the epitome of what a trail rider should be. He is always a pleasure to ride with and his softspoken good manners are a delight to all who know him. It is an honor to present Neal with this award."

Help Wanted:

Colorado Trail maintenance volunteers

Ten years ago Region III volunteered to maintain Section 12 – Copper Mountain to Kokomo Pass – of the Colorado Trail and we have been doing that job ever since. At the Region 3 seminar last January, the board asked me to coordinate this job. When I pointed out my physical limitations, they assured me other members could do the difficult labor. Now, I'm looking for a good crew to help on the task this summer, probably about mid-July, but maybe as late as August. A reliable chain saw and some trail maintenance tools (shovels, etc.) would be needed. It is suggested that the helpers walk rather than ride, as horses can complicate things on this narrow-in-places trail. Admittedly, I have to ride to get there, but I will be providing a pack horse to help carry the heavier equipment.

As early as receding snow pack permits – about mid-June – some of us will survey the trail to determine what repairs are needed. Then I will contact volunteers and finalize the arrangements.

I am looking forward to your help on this interesting adventure.

Thanks! Neal McKinstry

BARN SALE

LOVELL OF MACK Custom **No Bounce** products for distance riders. Cantle and wither bags, etc. For free catalog call (970) 858-7323 or write 647 "R" Road, Mack, CO 81525-9724.

Colorado Horsemen's Council seeks funds for survey

As Colorado grows and more development occurs, there is a need for more promotion and education to insure the future of the horse in the state. Every other agricultural commodity group has a fee associated with its cost of being a part of that industry in order to promote their commodity. This is the horse industry's chance to put some money into a survey fund to help promote and educate the public about our own agricultural industry.

It is important that the horse owner, horse-related business and horse organizations show their support for the Colorado Horsemen's

Council and the Colorado Horse Development Board (CHDB). The survey information will be kept permanently confidential. The more horse owners on the survey list, the more

accurate the information. Donations for the CoHoCo Survey can be mailed to Jennifer Johnson Seltzer at 301 N. 49th Ave., Greeley, Colo. 80634. Checks should be made out to CoHoCo Survey. Any questions or suggestions are welcomed by the CHDB board members. They are: Eloise Joder, president, Boulder County (303) 449-6040; Dr. Ann Swinker, vice president, Ft. Collins/Ft. Lupton (970) 491-6271; Laura Miller, secretary, Westcliffe (719) 429-2684; Tim Lara, treasurer, Elizabeth (1-800) 877- 6290; Norm Brown, CoHoCo survey chair, Wellington (970) 568-3318; Helen Fusscas, Parker (303) 841-5550; Jerry Martinez, Longmont/Weld County (303) 651-7863; Dave McManus, Olathe (970) 249-3935; Cathleen Neelan, Steamboat Springs (970) 879-5666; Chuck Sylvester, LaSalle/Denver (303) 297-1166; and Josie Traub-Dargatz, Ft. Collins (970) 491-0302. — *CoHoCo*

It is important that the horse owner, horse-related business and horse organizations show their support

AROUND THE REGION ...

NOTE TO NOVICE RIDERS!

When you compete in novice-class horsemanship and achieve five first place finishings, you cannot continue to compete for placings in the novice division. If your horse receives five first place finishes in novice, he/she may not compete for placings in novice either. This is useful to remember (particularly in horsemanship) when you might want to start a young or inexperienced horse in the future and still be able to compete as well.

DON'T FORGET about the change in scoring for P&Rs. Respirations under nine (9) will not be scored against. Also, there will be no more half-points deducted. Refer to the back of the new vet cards for more details.

ON JUNIOR SPONSORSHIPS:

Juniors can apply to Region 3 for forms - getting the Region 3 membership and one-half of two ride fees paid when applying. Region 3 appreciates anyone (business, individual, ride or club) contributing to the sponsorship fund, and those contributors will be acknowledged in the newsletter. Monetary gifts over \$25 receive a certificate. Make applications to Terri Daugherty, 3083 Maverick Dr., Colorado Springs, Colo. 80918; (719) 593-7310.

MANY, MANY THANKS TO

KAREN LADEN for her invaluable help with the national flyers and to Davis Creative for donating the art-

work used for the flyers and for the Championship Challenge Ride.

THE TETHER STUDY GUIDE-LINES ARE LISTED BELOW.

Lines attached to horse trailers

1. The line must not be attached to the trailer any lower than 5 feet from the ground, tied tightly with minimum sag.
2. The distance the horse can slide along the tether is up to 10 feet, with a 2-foot leeway.
3. The line must be 2,500-lb. test.
4. It is recommended that eye-bolts for line attachment be at least 2,500-lb. test.

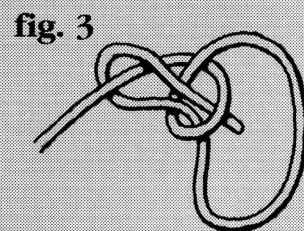

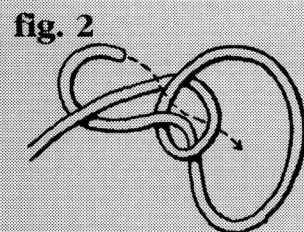

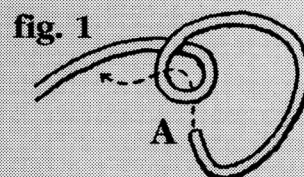

Lines between trailers, trees, poles, etc.

1. The line must be at least 6 feet from the ground, but 7 feet with minimum sag is suggested for safety reasons.
2. The line length can be longer, but the distance a horse can move along the line can be 10 feet with a 2-foot leeway.
3. A knot or other means to readily untie the horse from the line should be provided should the need arise.

Guidelines for stallions

1. All of the above apply to stallions too, except that stallions must have 2 lines with 2 separate end connections.
2. The halter rope will be attached to 1 tether line.
3. The bowline or second attachment around the stallion's neck will be attached by its own separate connection to the second tether line, for safety reasons.

How to tie a bowline knot

Start with an overhand loop, which serves as the "eye." Put end "A" (fig. 1) up through the loop, then under the standing part to form a turn (fig. 2). This brings the end over the standing part. Thrust the end down through the "eye" to form a bight (fig. 3). Grip both portions of the bight with one hand and pull on the standing part with the other hand. The "eye" becomes a tight knot below which you will have a large loop.

NATRC Membership Application

NATRC offers six membership plans (check plan desired):

- | | |
|--------------------------------------------------------|------------------------------------------------------------------------|
| <input type="checkbox"/> 1. FAMILY membership | (\$35 per year) Household of one or two adults and children (one vote) |
| <input type="checkbox"/> 2. SENIOR membership | (\$30 per year) Single adult member (one vote) |
| <input type="checkbox"/> 3. JUNIOR membership | (\$20 per year) Single junior member under age 18 (no vote) |
| <input type="checkbox"/> 4. ASSOCIATE membership | (\$45 per year) Equine-related groups or businesses (no vote) |
| <input type="checkbox"/> 5. SINGLE lifetime membership | (\$250) Any person of any age (one vote) |
| <input type="checkbox"/> 6. FAMILY lifetime membership | (\$350) Household of one or two adults and children (two votes) |

Membership is for twelve months from date of receipt

All NATRC memberships include: rule book, membership card, club patch, ride schedule, newsletter, eligibility to compete for NATRC annual high score awards and championships, rider and horse mileage awards and reduced ride entry fees.
