

36th Annual Colorado Trail Competitive Trail Ride

Type "B1" Saturday & "B2" Sunday Leisure Rides

September 7-8, 2024, Buffalo Creek, Colorado

Enjoy fall in the foothills of the Rockies at the **36th Annual Colorado Trail Competitive Ride**. This ride is held in the Buffalo Creek Recreation Area (USFS). This is always a gorgeous ride with good footing, well-defined trails and views, views, views. You'll see snow-capped Pikes Peak to the South, Mt. Evans and Mt. Rosalie to the Northwest, and Long Scraggy and Cathedral Peaks in the foreground. Terrain is varied over hills covered in conifers, open meadows, and aspen groves, speckled with creek crossings and punctuated with fall colors. Large boulders piled in impossible formations provide unusual images to ponder as you ride. Portions of the trail are on the historic 488-mile-long Colorado Trail that crosses the state from Denver to Durango.

DIRECTIONS TO CAMP: From Denver: Go SW on US Hwy 285 to Pine Junction. Turn left onto Hwy 126 (Pine Valley Road). Go 14 miles through Pine Grove and Buffalo Creek. After the top of a long hill, camp is on the right and will have ribbons and signs to alert you to the turn. From the South, take Hwy 24 to Woodland Park and turn North on Hwy 67 to Deckers. Turn onto Hwy 126 and go about 15 miles. Just past Forest Service Road FSR 550, look for signs and ribbons on the left at the turn into camp. Once off highway, proceed on dirt road short distance until you reach camp.

CAMP INFO: **Certified Weed-Free hay is required by the USFS.** Camp opens on Friday. Contact Ride Chair for possible availability of hay. Horse water will be provided by the North Fork Volunteer Fire Dept. Please bring people water. Days can be hot and nights cool, so bring a blanket for your horse.
